Dunnington CC aims to work in partnership with Parents/Guardians to positively develop young players. Parents/Guardians are expected to:

- Discuss the child's needs and progress with the coach
- Bring any relevant concerns to the attention of the coach or the Child Protection Officer or another Panel member
- Encourage your children to learn and observe the laws of cricket
- Recognise and encourage fair play. In matches clap incoming batsmen and applaud good performances of both sides
- Help your children to recognise good performances, not just good results
- Discourage unfair play and arguing with officials. Support and help team managers and appointed volunteers; avoid questioning or criticism of their judgement in public
- Encourage but never force your children to play
- All adults are expected to act as good role models for the children
